To the President, the Committee and the  
Members of the Swiss Society of the  
Kansai.

This is to confirm that I have examined  
the financial statements, detailing all  
monetary transactions of the past fiscal  
year, including the year-end bank  
balance and cash on hand.

I found all to be in absolutely perfect  
order.

Andy Mueller  
acting as elected auditor of the  
Swiss Society of the Kansai
